Dynorbital Spirit Sander

#59020

\$119.00

Reg. \$210.00

This 5" Orbital Air Sander is ideal for production with power and comfort thanks to the new Comfort Platform.

An easy-access thumb control keeps speeds where you need them. The .25 HP motor is designed for drop-in replacements (available separately) so down time is minimized! Its 1.4 lb. light weight makes it ideal for vertical and overhead sanding. It has an insulating composite lever.

- 12,000 RPM
- 3/16" Orbit Dia (5mm)
- 14 SCFM Max air flow
- 1/4" Inlet

Included with this purchase is ONE FREE variety pack of VSM brand 5" PSA sanding discs, with 25 each of 120, 150, 180 and 220 grit Aluminum Oxide (KP911 paper) with tabbed PSA backing! Limited to supplies on hand! \$30 value! Offer expires March 31, 2009

Dynorbital Supreme Sander

#56815

\$129.00

Reg. \$230.00

This heavy duty 5" Orbital Air Sander features the same Comfort Platform and Comfort Grip as the Spirit, but has a more robust .28 HP motor. Its rubber air motor suspension system reduces vibration for heavy production use while its solid 2.1 lb. weight makes it a workhorse for horizontal sanding. It has a rugged metal lever.

- 12,000 RPM
- 3/16" Orbit Dia (5mm)
- 18 SCFM Max air flow
- 1/4" Inlet

Offer Available for a Limited Time!
